Bold ideas. Extraordinary results.

With a name like The Exhibitionist and almost over 40 years experience, we know how to expose your brand at events and displays.

Unlike many Darwin based industries, we offer a complete service from start to finish. Our in-house qualified graphic designers, sign writers and construction team ensures a seamless and stress free event.

We can also oversee exhibitors, sponsors, facilities, programming, publications and advertising. Exhibition booths, poster boards, power and lighting, conference theming, wide format printing, signage, furniture and equipment hire, we do it all!

A list of the services we offer can be found at:

www.exhibitionist.com.au/services

Modular Displays

The Exhibitionist hire and install exhibition stands and booths at most venues across the Northern Territory including Darwin, Katherine and Alice Springs.

We have a complete range of solutions, including modular stands, custom built stands, directory signage, feature entrances, furniture hire and floor plan design. Our team will provide you with imaginative ways to create an exciting exhibition environment.

We offer a number of exhibition systems but a majority of our exhibitions and tradeshow are built using one of two modular shell scheme systems, Octanorm or Corinthian.

and MUCH more...

Octanorm

Octanorm booths are constructed with smooth finish wall panels and fascia signs set within Octanorm aluminum framing.

The Standard Octanorm booth is 2.5m high and has white coloured wall panels.

Octanorm offers a clean line appearance designed to enable many upgrades and additional built-in features.

OCTANORM:
INDOORS ONLY
MOST ADAPTABLE
WHITE PANELS

Octanorm Booth

OCTANORM:
INDOORS ONLY
MOST ADAPTABLE
WHITE PANELS

Octanorm booths are highly versatile and can be constructed in a wide range of sizes, including:

- 3m x 2m
- 3m x 3m
- 6m x 3m
- 9m x 3m
- 6m x 6m – with endless custom options available

A STANDARD BOOTH CONTAINS:

- White foamulux walls - 2.5m high
- 1 x fascia board (per booth open end)
- 1 x printed company name
- 2 x spotlights
- 1 x 4 amp powerboard (4 outlets)
- 1 x trestle table with black cloth - 1.8m long
- 2 x black folding chairs

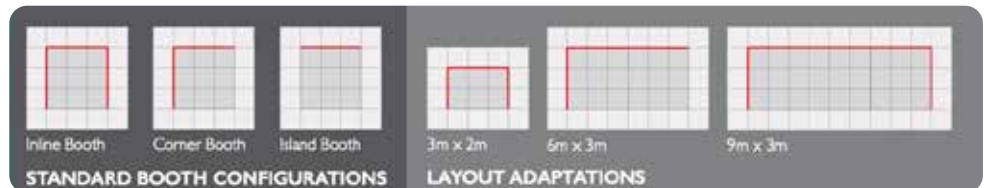

FIXINGS

USE: blu-tack, hook/loop velcro (both sides with sticky back)
DON'T USE: double-sided tape, nails, screws, pins

COMPANY NAMES

Please let your conference organiser know the name you wish to appear on your fascia.

Each exhibitor can upgrade at an extra cost to a deluxe company name with their company logo which makes your fascia stand out from the rest.

Corinthian

Corinthian, also known as 'Expo Panels', is a shell scheme that offers walls and fascia beams covered in charcoal frontrunner.

This system is recommended for exhibitors needing a strong, smooth panel surface or some sound control.

All panels are fully velcro compatible and measure 1m wide x 2.4m high.

6m WIDE BACK WALL

This standalone booth was designed to attract customers with an open facade, creating an accessible, friendly, and inviting space for attendees. Paired with Octanorm walls, it offers exceptional flexibility, making the design possibilities virtually endless. All graphics can be professionally designed and printed by our experienced in-house graphic design team.

Inclusions:

- Clean modern timber-look frame with soft curves and built-in lighting
- Customisable back wall for your own branding and graphics
- Front counter and furniture package included
- Power access and cable management built-in
- Fully installed and dismantled by our team
- Painted edge to suit your branding

YOUR BRAND

Fully custom to you

Customisation Options

Whether you need to match a campaign, promote a new product, or create a welcoming community space, this booth adapts to your needs. Add screens, brochure holders, shelving, product displays, or interactive technology to create an engaging and memorable visitor experience.

You've got the power!

Most standard booth packages include a single 4 amp powerboard with 4 outlets and 2 spotlights. You can order additional power to accommodate multiple electrical devices throughout the space.

ELECTRICAL APPLIANCES

Due to electricity supply constraints in certain venues, it is essential that exhibitors declare all appliances to be used at their site, with order confirmation. If you are unsure of your electrical supply requirements, contact The Exhibitionist and we will be happy to assist you.

TAGGED & TESTED

Any exhibitors bringing electrical equipment to the event must ensure that it is tagged and tested and within their expiry date. All electrical leads, tools and appliances must be in good condition and meet all safety standards and requirements.

If required, a qualified electrician from The Exhibitionist may be on-site during installation and is available to provide test and tag services. This service incurs a fee, payable directly by the exhibitor to The Exhibitionist.

Standard power supplied is suitable for laptops, DVD players, small flat screens, media players and charging phones etc. Any other electrical equipment may require separate circuits e.g. kettles, toasters, hair dryers, printers, projectors, power tools etc. to avoid overloading venue circuits.

If in doubt call us on **08 8981 3166**.

Furnishing your booth

First impressions matter so why not allow your brand's personality to shine through with dressings and furnishings? Here at The Exhibitionist, we offer a range of exhibition furniture, display signage and AV equipment to elevate your booth.

So if you have a trade show booth, exhibition stand or custom designed display, we have the exhibition furniture to suit your needs.... Need your furniture and display equipment branded? Ask us about our custom designed hire branding for temporary promotional purposes.

Custom Props & Photo Opportunities

Let's get creative...

At The Exhibitionist, we specialize in creating custom props and photo opportunities that transform your event into a visual masterpiece. From bespoke backdrops to interactive installations, our team designs and crafts props that perfectly align with your event's theme and vision. With over 36 years of experience and a team that has worked both locally and internationally, we offer complete event services—ensuring every photo moment becomes a standout feature.

Let us bring your ideas to life with unique, expertly crafted props that make lasting memories for you and your guests.

Photo Booth

FOR HIRE

Make your event extra memorable with our photo booth set up. Designed to be easily transportable and user friendly, our photo booth is sure to be a fun addition to your next event. To accompany the experience, take home print outs are supplied to participants to showcase on their fridge, scrapbook or work desk. These print outs can be specifically designed by our in house graphic team to suit your event theme.

Our photo booth display includes:

- Easily transportable photo display
- iPad to display branded how to's
- Ring light to get the perfect lighting
- A variety of props
- Compact printer and photo quality paper
- Custom graphics if required
- Custom made backdrops

Please note the photo booth requires a volunteer to man it at all times when in use.

CNC Routing

Let's get creative...

Customize your event or booth with one of a kind cut outs. Our in house CNC router can cut any size or shape to bring that extra wow factor to your display.

Some ideas include:

- Your logo as a freestanding sign
- A fun selfie moment
- A standout back drop
- Custom display table to showcase your products
- Custom branded baubles
- Elevated clothing racks
- Interactive games, and so much more. The options are limitless!

If you are short on time and require a media wall, this paneled media wall is perfect. Extended in 1m panels, the sizes are endless. This option is also perfect for outdoor use.

Hire Agreement

1. Definitions

Agreement: This agreement between the Hirer and The Exhibitionist 2D 3D Designs (the Owner).

Hirer: Any person, firm, corporation or organisation hiring equipment from the Owner. Anyone signing on behalf of the Hirer is deemed to have full authority to do so.

Owner: The Exhibitionist 2D 3D Designs.

Equipment: All material items supplied by the Owner to the Hirer.

Hire Day: A 24-hour period commencing at 8:00am and ending at 8:00am the following day.

2. Hire Period

- a. Hire periods are calculated in hire days unless otherwise agreed.
- b. The hire period begins when the Hirer collects or receives the equipment, and ends when it is returned or collected by the Owner.
- c. The Owner may terminate this agreement immediately if the Hirer breaches any condition, or with two (2) days' notice in any other circumstance.
- d. If the Hirer cancels within 48 hours of the scheduled hire, a cancellation fee of 30% of the quoted value will apply, with a minimum fee of \$80.

3. Hire Rates

- a. Hire charges are as per the quotation and are fixed for the hire period.
- b. If the hire is extended, an additional pro rata daily rate will apply unless a new rate is agreed at the Owner's discretion.

4. Conditions of Hire

- a. The Hirer accepts the equipment on an "as is" basis and acknowledges it was received in good working order.
- b. The Hirer must return the equipment in the same condition, allowing for reasonable wear and tear.
- c. "Ordinary wear and tear" means natural deterioration from normal use during the hire period.

5. Equipment in Disrepair

If the equipment becomes unsafe or faulty, the Hirer must stop using it immediately, notify the Owner, and take reasonable steps to prevent injury or further damage until the Owner regains possession.

6. Legal Compliance

The Hirer agrees to comply with all relevant laws and regulations regarding the use of the equipment. The Owner holds no responsibility for how the equipment is used.

7. Hirer's Responsibilities

The Hirer must:

- a. Take full responsibility for the equipment, including insuring it while in their possession. The Owner is not liable for any

uninsured losses.

- b. Pay all hire charges, including cleaning fees for soiled returns and costs associated with lost or damaged equipment, regardless of fault.
- c. Adhere to all the Owner's terms of business.
- d. Make full payment on receipt or installation of the equipment, or within seven (7) days if invoiced.
- e. Use the equipment properly and only for its intended purpose.
- f. Ensure use of the equipment complies with all laws and regulations.
- g. Indemnify the Owner against any claims, actions, damages, union issues, or legal costs arising from the hire or use of the equipment.

8. Delivery and Installation

Where the Owner is responsible for delivery and/or setup, all reasonable efforts will be made to meet agreed times. However, the Owner accepts no liability for delays or any resulting loss or damage.

9. Ownership

All hired equipment remains the sole property of the Owner at all times.

10. Severability

If any part of this agreement is found to be unlawful or unenforceable, it will be removed without affecting the validity of the remaining terms.

Production Agreement

1. Definitions

Agreement: This agreement between the Hirer and The Exhibitionist 2D 3D Designs (the Owner).

Hirer: Any individual, business, or organisation hiring equipment from the Owner. Anyone signing this agreement on behalf of the Hirer is assumed to have full authority to do so.

Owner: The Exhibitionist 2D 3D Designs.

Hire Day: A 24-hour period starting at 8:00am and ending at 8:00am the following day.

Equipment: All materials and items supplied by the Owner to the Hirer.

2. Period of Hire

- a. Hire periods are calculated in hire days unless otherwise agreed.
- b. The hire period begins when the equipment is collected by or delivered to the Hirer, and ends when it is returned or collected by the Owner.
- c. The Owner may terminate this agreement immediately if the Hirer breaches any terms, or with two (2) days' written notice for any other reason.
- d. If the Hirer cancels within 48 hours of the scheduled hire, a cancellation fee of 30% of the total quotation will apply. A minimum cancellation fee of \$80 applies.

3. Hire Rates

- a. Hire charges are fixed as per the agreed quotation for the duration of the hire.
- b. If the hire is extended, additional daily charges will apply on a pro rata basis, or a new rate may be negotiated at the

Owner's discretion.

4. Conditions of Hire

- a. The Hirer accepts the equipment "as is" and acknowledges receipt in good condition.
- b. The Hirer must return the equipment in the same condition (excluding ordinary wear and tear) at the end of the hire period.
- c. "Ordinary wear and tear" refers to normal deterioration from proper use during the hire.

5. Equipment in Disrepair

If the equipment becomes damaged or unsafe during the hire period, the Hirer must stop using it immediately, notify the Owner, and take reasonable steps to prevent injury or further damage until the Owner collects it or takes back possession.

6. Legal Compliance

The Hirer agrees to comply with all laws and regulations applicable to the use of the equipment. The Owner is not responsible for how the equipment is used.

7. Hirer's Responsibilities

The Hirer must:

- a. Take full responsibility for the equipment at all times and arrange appropriate insurance. The Owner is not responsible if this is not done.
- b. Pay all hire fees, including cleaning charges for soiled equipment and costs for any damage or loss, whether or not due to Hirer negligence.
- c. Comply with all of the Owner's terms of trade.
- d. Make full payment upon delivery or installation, or within seven (7) days if invoiced.
- e. Use the equipment only for its intended purpose and handle it properly.
- f. Ensure compliance with all applicable laws while using the

equipment.

g. Indemnify the Owner against all claims, legal actions, union disputes, costs, or other liabilities arising from the use or misuse of the equipment.

8. Delivery and Installation

If the Owner is responsible for delivery or installation, it will make all reasonable efforts to meet agreed timeframes. However, the Owner is not liable for any delays or resulting losses.

9. Ownership

The Hirer acknowledges that all equipment remains the sole property of the Owner at all times.

10. Severability

If any part of this agreement is found to be illegal or unenforceable, it will be removed without affecting the validity of the remaining terms.
